Department of Computer Science & Engineering and
Department of Humanities & Social Sciences
Indian Institute of Technology Bombay

Date: 20.01.2026

To Whom It May Concern

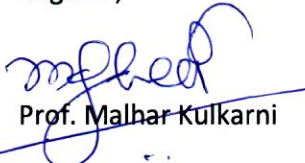

This is to certify that Mr. Siddhant Hitesh Mantri successfully completed his research internship at the Computation for Indian Language Technology (CFILT) Lab, Indian Institute of Technology Bombay.

He served as a Researcher Intern from September 2024 to December 2025 under the guidance of Prof. Pushpak Bhattacharyya and Prof. Malhar Kulkarni, making valuable contributions to natural language processing projects.

Siddhant demonstrated strong technical expertise, dedication, and professionalism throughout his research tenure.

We wish him continued success in his future pursuits.

Regards,

Prof. Malhar Kulkarni
In charge of CFILT Lab

Computation for Indian Language Technology
